This comprehensive solution empowers skilled professionals like you to establish your own UK company and secure a Skilled Worker visa through self-sponsorship. With **OYOS**, you're not just launching a business, you're investing in your future and opening doors to potential **UK settlement for you and your family**.

### **What is OYOS?**

OYOS is a comprehensive package designed to guide you through every step of setting up your UK business and obtaining a Skilled Worker visa through **self-sponsorship**. This program removes the complexities and uncertainties of navigating the process alone, allowing you to focus on building your business and achieving your **UK dream**.

### **Why Choose OYOS?**

Navigating the complexities of **UK business setup** and visa applications can be daunting. OYOS eliminates the stress and uncertainty by providing expert guidance and support at every step, ensuring a smooth and **successful journey**.

## Here's what sets OYOS apart:

- **End-to-End Service:** We handle everything from company formation and bank account setup to Sponsor License acquisition and visa application assistance.
- **Expert Guidance:** Our team of experienced professionals provides personalized support and ensures compliance with all UK regulations.
- **Streamlined Process:** We streamline the entire process, saving you valuable time and effort.
- **Focus on Your Vision:** With the administrative burden lifted, you can focus on building your business and realizing your entrepreneurial goals.
- **Pathway to Settlement:** The Skilled Worker visa obtained through OYOS opens doors to permanent residency in the UK after five years, allowing you to build a secure future for yourself and your family.

## Is OYOS Right for You?

OYOS is perfect for ambitious and skilled individuals who:

- Possess skills at RQF Level 3 or above (equivalent to A-level or higher).
- Have a viable business idea and the drive to succeed in the UK market.
- Seek a secure and legal route to live and work in the UK.
- Desire the independence and flexibility of running their own business.
- Aspire to build a future in the UK with the possibility of permanent residency.

## Understanding the Process:

The OYOS program comprises five key phases to guide you seamlessly through your UK business and visa journey:

### Phase 1: Building Your Foundation - Business Establishment

- **Company Formation:** We assist with choosing a company structure, registering your company with Companies House, and ensuring compliance with all legal requirements.
- **Bank Account Setup:** We facilitate the opening of a UK business bank account, both online and with a high-street bank, to manage your finances effectively.
- **Tax Registration:** We register your company with HMRC for Corporation Tax, Value Added Tax (VAT), and Pay As You Earn (PAYE) to ensure you meet all tax obligations.
- **Employer Essentials:** We guide you on obtaining Employer's Liability insurance, a crucial requirement for UK businesses with employees.
- **Food Business Registration (if applicable):** If your business involves food, we assist with registration with the relevant food authorities to ensure compliance with food safety regulations.

## **Phase 2: Securing Your Sponsor Status - Sponsor License Application**

- **Application Preparation & Submission:** Our experts prepare a comprehensive Sponsor License application for your company, demonstrating your ability to fulfill sponsorship duties and comply with UK immigration laws.
- **Organizational Structure:** We help you develop a clear organizational chart outlining the hierarchy and roles within your company.
- **Business Plan Development (if needed):** We provide support in creating a robust business plan showcasing your company's viability and potential for success.
- **Sponsor Management System (SMS) Support:** We offer Level 1 user support to help you effectively manage the Sponsor Management System, a crucial platform for sponsor license holders.

## **Phase 3: Enabling Sponsorship - Certificate of Sponsorship (CoS)**

- **CoS Allocation & Assignment:** We secure the required number of Certificates of Sponsorship (CoS) for your company and ensure proper assignment to sponsored employees, including yourself.

## **Phase 4 (Optional): Your Gateway to the UK - Visa Application**

- **Visa Processing Support:** We provide expert assistance with your Skilled Worker visa application, guiding you through the process, ensuring all requirements are met, and maximizing your chances of approval. This includes support with the primary candidate's visa application and guidance on dependents (if applicable).

## **Phase 5: Long-term Success - Business Management**

- **Additional Support Options:** As your business grows and evolves, we offer access to a range of professional services, including legal advice, marketing assistance, and financial planning, to help you navigate every stage of your business journey.

### **Investing in Your Future:**

OYOS is more than just a service; it's an investment in your future. By establishing your own UK business and securing a Skilled Worker visa, you're creating a platform for long-term success and opening doors to a **fulfilling life in the UK**.

### **Here's how OYOS paves the way for your future:**

- **Career Advancement:** As a business owner and Skilled Worker visa holder, you gain valuable experience, develop your skills, and enhance your professional profile.
- **Financial Independence:** Running your own business offers the potential for financial growth and stability, allowing you to build a secure future for yourself and your family.
- **Family Life in the UK:** The Skilled Worker visa allows you to bring your dependents to the UK, offering them access to quality education, healthcare, and a vibrant multicultural environment.
- **Permanent Residency:** After five years on the Skilled Worker visa, you become eligible to apply for Indefinite Leave to Remain (ILR) in the UK, granting you the right to live, work, and study in the UK without any immigration restrictions.
